Class of 2025

Yearbook

Always Faithful, Always Proud

Principals Message

Dear Year 6 Class of 2025,

As you prepare to close this special chapter of your primary school journey, I want to take a moment to thank each and every one of you for the joy, energy, and growth you've brought to our school over the past seven years. From your very first days in Kindergarten—when your school bags seemed almost as big as you—to now, as confident young leaders ready for high school, you have grown in knowledge, faith, friendship, and character. You have shown what it means to be respectful, kind, and resilient learners, and we couldn't be prouder of the young people you have become.

As you step into high school, remember that true success isn't just about results or achievements—it's about being the best version of yourself. Keep your heart open to learning, your mind curious, and your spirit strong. There will be challenges ahead, but each one will help you discover new strengths and opportunities.

Carry with you the lessons you've learned here: to treat others with fairness, to act with integrity, and to live with hope and compassion. Jesus taught us to walk in love and service, and when you do that, you'll always be on the right path—no matter where life takes you.
Thank you for the memories, the laughter, and the way you have led our school this year. You will always be part of our community, and we look forward to hearing about the wonderful things you go on to achieve.
Go with confidence, courage, and faith—knowing that you are ready for all that lies ahead.

With pride and every blessing,

Loughhead

Ms Tracey Loughhead
Principal

School Leaders

Back Row (L to R): Christine Mulherin - Assistant Principal, Ethan Young, Casserina Douglas, William Elias, Neve McGee, Cooper Hall, Penelope O'Connor, Ryan O'Connor - Assistant Principal

Front Row (L to R): Millicent Roberts, Addalyn Cassidy, Tracey Loughhead - Principal, Sophie Stanford, Charlotte Kirk (Absent: Eli Fawaz)

School Captains Message

Dear Year 6,

We did it! We've reached the end of this chapter, and now we stand on the edge of an exciting new adventure, high school. These past seven years have been filled with moments that have shaped us, challenged us, and brought us so much joy. They are memories I will carry with me forever.

At St Joseph's, we have learnt and grown side by side. No matter what came our way, we supported each other and formed friendships that I know will last long beyond today. This year especially, we've overcome challenges, celebrated milestones, and created memories that will stay with us for life.

Being School Captain of St Joseph's has been such an honour. I am truly grateful to have had the chance to lead our school and wear my badge with pride. For me, St Joseph's has never been just a school, it has been a second home. A place where everyone is welcomed, respected, and cared for. A place where we could be ourselves and feel part of something special.

I also want to thank our amazing teachers. You have made our journey brighter, and more meaningful. Your support, patience, and belief in us have helped shape who we are today. Thank you for all the lessons, both inside and outside the classroom, and for guiding us with kindness every step of the way.

Finally, to the Class of 2025, good luck! As we head into Year 7 and discover new opportunities, I know we will never forget the memories we've made together or the people who helped create them. I feel so lucky to have been part of this year group, and so thankful that not just this year, but every year, has been special in its own way.

Amira Kelly

We made it! Congrats! These past seven years have been such an incredible journey. We've grown, learnt, and made lifelong friendships.

Being your School Captain this year has been such an honour and a privilege. I can't believe how fast the year's gone and how much we've all grown. St Joseph's has become more than just a school — it's become a community and a place where we truly belong

.

We've faced challenges, made new friends, and created memories that will last forever. A huge thank you to all our teachers for your support, encouragement, and kindness — you've helped shape who we are today.

Good luck heading into Year 7. I'll never forget the times we've shared and the amazing people I've shared them with. I'm so proud to be a part of the Class of 2025 — thank you for making this year unforgettable.

Phi Bolster x

Class of 2025

Sophia Bolster

What's something you dream of doing one day? **Fufilling my dreams, meeting up again with Yr 6, and teach at St Joeys! (Also to marry Jack Dawson!)**

Year 1 2020

A Time Like No Other

Photos were scarce during 2020–2021 due to COVID restrictions, but the memories are unforgettable:

- Border closures split our community as NSW and QLD enforced different rules
- Army and Police patrolled checkpoints, and daily border passes were required
- Some students had to leave our school, while others were separated from family due to work locations
- Online learning and homeschooling became the norm
- Mr Boyle even helped students over the barricades so they could get to school
- Our school made the news when Channel 7's Sunrise visited to report on school life on the border

And yes… socially distanced Santa photos were a thing! What a wild time.
